

Cherry Class Homework - week beginning 11.03.19 due in 18.03.19

Ongoing: Please continue to read with your child every night for approximately 10 minutes per night 3 times a week. If possible, record in the reading log when you have them read. Mrs Philcox will hear the children during the week as well.

Other homework should take approximately $\frac{1}{2}$ an hour per week and no more.

Spellings: (to be tested on 18.03.19)

Mrs Norris' Phonics group: Year 1 common exception words	Mrs Neville's group: year 2 common exception words
he	told
me	every
she	great
no	break
go	steak
so	pretty
by	beautiful
my	after
here	fast
there	last

Maths Homework:

I have set two tasks on "My Maths" if you are able to access it. If you are not, we are doing measuring this week so if you are able, could you help your child to measure 5 things at home using centimetres and metres and record the measurement using the correct unit of measurement (M for metre and CM for centimetre). Use Millimetres if you want!!

English/ World book Day

Thank you for all the effort that you made last week for World Book Day - the children all looked amazing.

Next week in English we will be comparing the differences between big cats/ fish or bears. Your child could pick one of these options (for example big cats) and make a list of how many different big cats there are, and how they are different and how they are the same, in preparation for this work. If you are unsure of what to do, come and see me.

If this is too tricky for your child they can simply make a list of the different big cats (lion/ cheetah/ leopard/jaguar/ cougar/ snow leopard/ tiger). There are apparently 7 different types of big cat!

Thank you for all the help you gave us making the puppets. We have now completed this part of the curriculum and you can see some of the spectacular results outside Cherry in the corridor. Thank you so much for Mrs Carpenter who was the creative mastermind behind the operation!!

As ever, come and see me if you have any problems,

Mrs Norris
