Maths Homework:

I have set two tasks on "My Maths" if you are able to access it. This week in maths we are doing adding and I have attached a year 1 and a year 2 task. The Year 2 task includes some questions laid out in a SATS style.

English:

I have set 2 grammar games on Purple Mash – just log in and go to the 2do section and you will find the 2 games.

The children can also show you the algorithms games that we have been working on in ICT. Again, if you do not have access to a computer, I will send home some different paper-based activities. If you have forgotten your child's Purple Mash log in just let me know and I will find it for you.

Finally, we are doing our assembly on Thursday at 09.00am so do come if you are able. I have some great powerpoints on animals that some of the children have made at home so hopefully I will be able to include them as well!!

As ever, come and see me if you have any problems and see you at Parents' Evening.

Mrs Norris
